

R E M A R K S

Careful consideration has been given to the Official Action of July 14, 2006, and in particular to the election requirement therein.

Pursuant thereto Applicant elects the species II of Figure 4. Claims 1-10 read on the elected species. Claims 1-6 and 8-10 are generic.

It is requested that examination of the application proceed on the basis of the election which has been hereinabove.

Applicant takes note of the fact that upon allowance of a generic claim, Applicant will be entitled to consideration of claims to additional species.

Respectfully submitted,
